Essays. Choose one question from A and one from B to answer. Make sure your handwriting is clear and clean.

A (50%)

1. Suppose you were one of the storytellers who created the Greco-Roman myths. Choose two stories and describe the feelings, thoughts you might have while you were telling them and the social purposes you might want to achieve with them.
2. Suppose the twelve Olympian gods were all still alive and they hadn't changed a bit. Choose to play any two of them and write in first person to tell how they think about the modern world.

B (50%)

3. Discuss how the myth of Adam and Eve's fall is told to explain what it means to be a human being. Suppose Eve had all of thoughts of a contemporary woman and she decided to write God a letter after she was punished. Write the letter for her.
4. Choose any contemporary literary or film adaptation of a piece of western literature written before the modern period. Compare the two versions and discuss the major differences between the two periods.
